

All 4 Kids

Drop in your spare change for TellTale Theatre.

TellTale Theatre is a non-profit for-children theatre company. For more than 28 years TellTale Theatre has brought Imagination Education to the children of the community. The shows are not just fun stories, but include themes that reinforce important character values that all children should learn. Even the spare change from a holiday purchase or trip to the gas station or grocery store can help TellTale continue to help kids.
